

# RECYCLE RUN 2025

**MICHIGAN'S OFFICIAL  
BOAT SHRINK WRAP  
COLLECTION PROGRAM  
FOR OVER 10 YEARS**

# RECYCLE YOUR BOAT SHRINK WRAP

*We invite you to join marinas, boat dealers, & individuals across the state to participate.*

## WHY RECYCLE BOAT SHRINK WRAP?

- For every bag recycled energy, oil, and landfill space is conserved.
- Save money on disposal fees.
- Looks great on a Clean Marina application or recertification.
- Keeps the Great Lakes clean and waste free.

## HOW DO I PARTICIPATE?

1. Buy your EZ Fill Recycle Run bags at <http://tinyurl.com/2aa2pmkb>  
The purchase of your recycling bag covers pick-up, haul-away, and processing directly from your location.
2. Register for the program. Registration will open in early 2025. You can find the registration form by scanning the QR code to the left.
3. For direct pick-up of your boat shrink wrap you must register for a minimum of 15 bags.  
Locations in the UP must meet a 70 bag minimum.
4. Bags are industrial size and can hold shrink wrap up to a 32' boat (1 large wrap) or (1-3 small wraps).
5. Each bag comes with a zip tie to seal the bag, and recycling instructions.
6. Program Coordinators will reach out to schedule a pick-up with your location in June – August.

## RECYCLING FOR INDIVIDUAL BOATERS

- If registering with less than 15 boat shrink wraps, you will be required to drop-off bags at a participating drop-off location. Visit our website or join our email list to learn more about Recycle Run drop-offs.
- We ask individuals to bundle bags tightly and keep them dry and clean as they plan for recycling in the spring.

**Keep Boat Shrink Wrap Clean, Dry, & Condensed.  
All Registrations are due on June 2, 2025.**
