

# EZ-FILL RECYCLING BAGS ONLY \$5!

## JOIN DR. SHRINK, INC. IN THE RECYCLING EFFORT

**IT HAS NEVER BEEN EASIER TO RECYCLE YOUR SHRINK WRAP COVERS. DR. SHRINK AND BAY AREA RECYCLING FOR CHARITIES ARE NOT LETTING YOU MAKE ANY EXCUSES!**

Dr. Shrink, Inc. is once again promoting their annual Recycling Run for the U.S. With the ease and simplicity of this recycling program, you have no excuse not to recycle your shrink wrap covers. Dr. Shrink shrink wrap is a premium, virgin resin material that is easily recycled into a variety of usable consumer products. Shrink wrap WILL NOT biodegrade in a landfill, so it is extremely important to have it recycled. Our Recycling Run program makes it simple and straightforward:

- Buy Dr. Shrink's EZ-Fill Bags for \$5.00 each from Dr. Shrink
- Stuff the EZ-Fill Bag with ONLY shrink wrap
- **Return the Registration form by June 19th, 2017 to have your pick-up scheduled**

It's that easy to do your part to keep this premium material out of the landfill!

**Please see the 2017 Recycling Run Registration Form for important details and requirements. In order to participate, you must sign and return the Recycling Form to Dr. Shrink. Pickup regions are all throughout Michigan, Wisconsin, Indiana, Illinois and Ohio. We are working to expand into further regions for future Recycling Runs.**

Contact Dr. Shrink, Inc. with any questions or comments. We appreciate your help in this effort!
